Lesson Twelve

The Art of Commitment, Part II

BASED ON SOS 8:10-14, MALACHI 2:13-16

## **INTRODUCTION**

Why would God have a better idea about the institution of marriage than man? Why is there so much pressure to change it?

## **EXPLORATION**

1. Why did Tommy want fathers to circle the verse, "And two hundred (shekels) are for those who take care of its fruit?"
2. What five truths does Tommy mention?
3. "My mother's sons were angry with me; They made me caretaker of the vineyards..." Why didn't she want to work in the vineyards? Can you relate?
4. Are you glad your parents were hard on you? Why? What prevents parents from being hard on their kids today?
5. How has God providentially taken care of your body (like He did for her)?
6. How can you go into marriage without a weak link (knowing that when the going gets tough neither of you will run)?
7. How do you have peace with your mate?
8. According to Tommy, "What is the last act of love"?
9. "What does "heaven is free" mean?"

10. What difference does it make if you really believe, “The blood of Jesus Christ who died in your place can wash you clean of everything you have done”?
11. If God asked you, “Why should I let you stand in my presence?”, what would you say?
12. When all religions are broken down, there are only two kinds. What does each mean?

**The reason you keep the finite, is because you know the infinite.**

*Consequently they are no longer two, but one flesh. What therefore God has joined together, let no man separate. Matt 19:6*
